Just a reminder to not use this email. This is my game and fish email. I will let her know when they come in so we can make arrangements.

Anyone going to Silver on Saturday or Monday? I'd surely like for Haydn to be able to take a copy to Socorro so they can see it and modify it for use it in their county.

Tom,

I wanted to let you know the wolf poster/fliers were ordered yesterday. We split the order as the laminated ones for the businesses and Forest Service kiosks take longer and we knew

you needed the fliers for the schools ASAP.

We believe the fliers for the schools will be delivered tomorrow or Monday. The laminated posters will be delivered on the 19th. I will let you know.
